FAWCETT RECOGNIZED FOR 70 YEARS IN BUSINESS

Annapolis, Maryland: At the September 24, 2018 meeting of the Annapolis City Council, the council recognized Fawcett Boat Supplies for 70 years in business.

General Manager Bill Griffin expressed
“We are thrilled to be celebrating our 70th year, and are grateful to our customers, suppliers, and the Annapolis community for the many relationships that stand the test of time.”

Serving customers throughout the Chesapeake Bay region, the US and the world, Fawcett staff includes many sailors, powerboaters, racers, cruisers, paddlers, and even a submariner. At Fawcett, customers find the most extensive selection anywhere for any boating project, whether it is electrical, rigging, maintenance, performance hardware, or an upgrade to their galley or cabin. Fawcett’s broad supply channel enables them to source the products customers need and to support the brands they offer.

About Fawcett: Since 1948, boatyards, rigging experts, cruisers, liveaboards, and racers have relied upon Fawcett. From original founders Arthur and Mary Fawcett to present owner Bernard Jammet, Fawcett has remained independent, locally owned, and operated. The Fawcett facility is located at 919 Bay Ridge Road in Annapolis, Maryland and their website is maintained at fawcettboat.com.
